From the Right Stuf International, the company that brought you HIS AND HER CIRCUMSTANCES comes a hilarious new series that parodies the entire Anime/Manga industry! With direction by Norihiko Sudo (Assistant Director – CASTLE IN THE SKY) and scripts by Hiroshi Yamaguchi (NADESICO / GATEKEEPERS 21)!

Destiny or delusion? It's a hilarious rollercoaster of laughter and confusion when Taishi, the ultimate otaku, drags his friend Kazuki into the swirling world of ambition, hatred, and love – the world of fan comics! Poor clueless Kazuki must sink or swim when he's dumped straight into the middle of a massive comic convention. Lost

amidst hordes of buyers, sellers, and cosplayers, Kazuki is about to be baptized by fire, all in order to lead him toward his true calling: to take over the world through fan comics!

Meanwhile, Kazuki's childhood friend Mizuki isn't about to let him be dragged from his normal life without a fight! But will she be able to stop the addictive draw of the new world that lies before Kazuki? Little by little, Kazuki is slipping down the path towards destiny...and Taishi is shoving him every step of the way!

Join the Comic Party, and follow Kazuki as his journey takes him through the steps to becoming a master fan comic author - while spoofing everything along the way! From Gundam to Evangelion, from Initial D to Wedding Peach; if it's part of the anime world, it's all fair game!
